**9-1-1 is for emergency situations only.** Please take the time to look up the non-emergency telephone number for the appropriate government agency if you have a problem that does not require an emergency response from law enforcement, fire, or emergency medical personnel. Non-emergency telephone numbers are listed on this page or in the government section of the blue or white pages.

**Warning:** It is unlawful under penalty of fine or imprisonment for any person willfully to refuse to immediately yield or surrender the use of a party line or a public telephone to another person for the purpose of permitting such other person to report fire or summon police or medical aid. Likewise, it is unlawful for any person to ask for, or request the use of, a party line on the pretext that an emergency exists.
